

# Friday the 13th: Volume 1

In 1980, Friday the 13th introduced moviegoers to a new kind of terror! With ten popular sequels, the series is the most successful horror franchise of all time, and the character of Jason an icon known around the world as the first name in evil. Now the story continues in comics form! When a group of bickering teens comes to Camp Crystal Lake for a summer clean-up job, they awaken the terrifying Jason Voorhees. As the slaughter begins and Jason closes in, they formulate a desperate plan to survive - but who, if anyone, will make it out in just the one piece? Writers Jimmy Palmiotti and Justin Gray (Jonah Hex) and artist Adam Archer present a gory, razor-sharp take on the Friday the 13th mythos! Warning: Adults Only!
