

GAYLETTER: Issue 2

GAYLETTER magazine is the biannual print companion of the hugely popular weekly email newsletter created in 2009 to help discerning homosexuals in New York figure out what to do with their time. Edited by Abi Benitez and Tom Jackson, GAYLETTER magazine is the first post-gay publication to embrace the best of queer culture while disregarding labels and categories. This issue features original photo essays by renowned artists and photographers such as James Bidgood, Jack Early, Casey Spooner, Brian Kenny, Slava Mogutin, Cody Critchelo, Richard Haines, Jeremy Kost, Hadar and more, as well as long-form interviews, travel pieces and fashion stories. While the newsletter and website lean toward more immediate event-based content, the magazine distills the spirit of GAYLETTER to create a collectible and enduring publication.
