

## Holy Land from the Air

With the aid of aerial photography, readers are taken on a journey through the legendary landscape of the Holy Land, steeped in cultural heritage and deep religious significance, and the stage for some of the most momentous events in human history. Included are the Church of the Nativity in Bethlehem, the Western Wall and the Dome of the Rock in Jerusalem, the fortress of Masada, the Sea of Galilee, the Qumran caves, and views of cities and towns, both ancient and modern.
