

Glass Toothpick Holders: Identification & Values

Neila & Tom Bredehoft and Jo & Bob Sanford Our popular Glass Toothpick Holders is back in an all-new second edition. This unique book focuses on American-made glass toothpick holders, primarily those made of pressed glass. Once again organized by manufacturer, the book encompasses holders from a myriad of companies, including Adams & Co.; Dugan; Fenton Art Glass; Hobbs, Brockunier & Co.; New Martinsville Glass Manufacturing Co.; and Westmoreland Specialty Company. Original manufacturers name, the popular name of the piece, dates, all known colors, size, current values, patent information, and other pertinent facts are provided for each toothpick holder pictured. Over 1,000 photographs and numerous line drawings, catalog pages, and original ads compose this exciting new edition. Not included in the first edition are sections on toothpick holders in metal holders, foreign toothpick holders, and contemporary toothpick holders.
