

Great Cycle Routes Hampshire & Dorset (Great Cycle Routes (Ian Allen)) (v. 2)

There are many thousands of miles of paths and lanes in the UK in which the family can cycle safely away from the dangers and pollution caused by traffic - routes often close to many of the most attractive features of the landscape, both natural and man made. Each volume in the Great Cycle Routes series examines in detail around 30 of the most attractive routes, with more basic information on many others. Information given includes: background and places of interest, best starting point, parking, distance, hills, surface, refreshments and cycle hire. Full of essential information for the cyclist, which makes each volume in the series an excellent guide for all the family in how to use the many traffic free cycle routes in the region

Visitors Comments - Sussex The South West Coast Path is England's longest waymarked long-distance footpath and a National Trail. It stretches for 630 miles (1,014 km), running from Minehead in Somerset, along the coasts of Devon and Cornwall, to Poole Harbour in Dorset. The path originated as a route for the Coastguard to walk from lighthouse to lighthouse. You can cycle (without touching a road) to Camber & Winchelsea which we did. Final evening meal in the Shipp Inn v. good. We hired bikes from Rye Hire and took the circular scenic route along the beach to . This is our 2nd time here and once again have had a great time. .
