

Great Sedona Hikes: The 50 Greatest Hikes in Sedona, Arizona

Great Sedona Hikes, Collectors Edition, is still available for purchase by those wishing to complete their collection of the Great Sedona Hikes series of hiking guides. (For up-to-date hiking information, we strongly recommend purchasing Great Sedona Hikes Third Edition.) The Premier Edition, launched in 2010, has been replaced with a Revised Second Edition in 2012 and now with Great Sedona Hikes Third Edition in February 2014. The Premier Edition contains 50 great hikes in Sedona, Arizona while Great Sedona Hikes Third Edition adds 10 more hikes for a total of 60 of the greatest hikes in Sedona. There were a number of revisions to the Sedona trail system in 2013 and 2014. For Great Sedona Hikes Third Edition, all the maps and trail descriptions were updated to the latest trail conditions, cumulative ascent data has been added to all 60 hikes, trail elevation profiles are included and our favorite 12 hikes have been highlighted. Both the Premier Edition and the Third Edition contain specific directions to the trailheads, comprehensive trail descriptions complete with GPS waypoints, and colorful commentary about the most striking trails, including several trails not found in any other hiking guides. The included trail maps are based on actual GPS tracks. Because the Sedona trail system constantly changes, for your hiking enjoyment and safety, we encourage purchase of Great Sedona Hikes Third Edition, the most comprehensive and up-to-date Sedona hiking guide.
