

Guardians 3000 #4

On a quest to save their future, Charlie-27, Yondu, Geena, and their new ally Star-Lord, must find a doorway to the past. And that means walking into the lair of the most dangerous being in the Cosmos- the Sleeping Hunger! And what has become of Vance, Martinez and Starhawk, missing in action or presumed dead? Has A-Sentience captured them, or is there no one left alive to capture?
