

## Guardians Team-Up #7

DRAX is taking his talents to South Beach, the home of pastel suits, chainsaws\*, and ANT-MAN. When a murderous alien ends up in Miami, its up to an unlikely duo of Ant-Man and Drax to stop him, that is of course if they can stop bickering with each other long enough. Theyre Lethal Weapons who are Running Scared and they have 48 Hours to save the day before the Hot Fuzz come and replace them with The Other Guys. \*Oh yes there will be chainsaws! Rated T+
