

## Harvey Kurtzman's Jungle Book (Essential Kurtzman)

Harvey Kurtzman's Jungle Book is considered one of the Top 100 Comics of the 20th Century by The Comics Journal and is widely regarded to be a lost classic. Written and illustrated by Kurtzman, Jungle Book inspired and influenced comics creators such as Robert Crumb, Art Spiegelman, Gilbert Shelton, and Terry Gilliam. Back in print for the first time in over twenty-five years, this deluxe hardcover features an essay by comics archivist Denis Kitchen; a new introduction by Gilbert Shelton; a conversational afterword between Pete Poplaski and Robert Crumb; and a selection of Kurtzman's photographs, correspondence, and artwork. The definitive edition of this graphic novel masterpiece is not to be missed! 2015 Harvey Award nominations for Best Domestic Reprint and Excellence in Presentation. He is as good as any cartoonist in history that I know of. -R. Crumb
