

## Hellblazer: Highwater

Brian Azzarello, the writing genius behind the smash-hit, award-winning crime thriller 100 Bullets, brings his own unique spin to John Constantine: Hellblazer, mystical troubleshooter and aging, low-life punk. Continuing his aimless American occult odyssey, Constantine encounters the beauty of nature and the horrors of humanity. From the Nazi-riddled heartlands to the S&M pits of LA, he finds you don't have to be supernatural to breed hatred, perversity, religious intolerance and seething racism - but it helps. With the Hellblazer-based Constantine movie in the pipeline, this new graphic novel is must-have, surefire, wall-to-wall brilliance! Warning: Adults only!
