

Hellblazer: Original Sins

Written by Jamie Delano; Art by John Ridgway and Alfredo Alcala John Constantine is an unconcerned, somewhat amoral occultist with a British working-class background. Hes a hero, of sorts, who manages to come out on top through a combination of luck, trickery, and genuine magical skill. The ORIGINAL SINS collection is a loosely connected series of tales of Johns early years where Constantine was at his best and at his worst, all at the same time.
