

# High Speed Cartooning For Presenters

Learn how to become a high speed cartoonist even if you say you cant draw a straight line. Let speaker/cartoonist M. Moore show you how. I started cartooning when I was in my early 20s and I have developed a huge number of tricks and short cuts that have made me a very FAST cartoonist. This skill has helped me as a teacher and professional speaker. Let me share them with you so you too can become a high speed cartoonist and fascinate your audience. .
