Captain Jack Stueben, spymaster, deadly assassin and billionaire playboy is a formidable adversary but he is no match for a beautiful woman dancing the Tango. She's dressed to kill and has a contract on Jack but what is she really after? Odie Larson would die for his former commander but he was not prepared to enter the seductive world of the Tango dancers. Haunted by memories of the war, he struggles to stay in the lives of those he loves: his fiercely independent ex-wife, Angelina, and his two daughters. Bound by a secret oath to his superior officer, he is overwhelmed by the Tango Embrace of exotic women in high-heels and sexy clothing. Odie is being pulled beneath the surface and can't find the will to break free! Tango, terrorism and the war threaten his beloved Angelina. Will he find out in time to save her?
