

Lost in Ukraine

Jack Blueberry goes it alone again. After his successful trip to India he decides to see what is going on in Ukraine. If there is a mistake to be made then Jack makes it and the consequences often lead to deep soul searching! Jack ended up spending a long night in the breakaway state of Transnistria after getting rather lost and missing the last bus and train out of there. Trouble ensued...

Dustbins become dogs. Shadows shooting across the sidewalk from passing police cars cause my heart to leap. The pack barked and growled baring teeth as I cowed. As they gained confidence I lost mine and ran. Fuck-a-doodle! They chased me, surrounded me, scared me. I tried to stare them down and barked back at them. Dont you remember what the massaging Finnish guy said in Tallinn at 2am about handling any dog? Nope, nor me. Luckily they moved on as I doubled back. Not cool.
