Amazon Number 1 Best Seller This book contains 2 recipes on how to make your own African black soap and how to make your own liquid African black soap. African Black Soap is one of nature's best kept secrets and now you can learn how to make your own. This amazing soap contains more health and skin benefits than most of the products on the market today. Made from plantain skins and cocoa-pod powder, it is a natural source of vitamin A, E and iron. When African black soap is in its raw form and used as part of your daily beauty regime, you will soon discover that... *

- * African black soap can protect your skin from free radical damage (aging, wrinkles, and facial lines) as it contains antioxidants
- * Because it contains ashes, African black soap makes a wonderful exfoliant. It will help remove dry dead skin and will soften and rejuvenate rough skin.
- * If inflammation and skin irritations are an issue for you, African black soap will soothe irritated skin, helping to relieve dry patches, rashes and red areas.
- * People who have used African black soap to help with acne have noticed it clears skin, erases blackheads and even helps with psoriasis and eczema.
- * It will help to firm and tone your skin and improve your skin texture. You will notice a more supple and glowing skin.
- * African black will help to alleviate brown spots and discolorations.
- * African black soap has antibacterial and anti-fungal properties which will help with deep skin cleansing.
- * African black soap is not just for the ladies. Many men use it for shaving as it contains Shea butter content, which helps protect the skin.
- * It is considered a support program for African countries. Since they hardly do any export to the world and this product is a major boost up in economic and traditional values of those member countries.
- * It is extremely beneficial in controlling oily skin when Shea butter is added. Shea butter acts as a supreme agent in controlling oily

skin. Users have often mentioned that after applying this soap, their skin develops a healthy glow. * It has no harsh chemicals in the ingredients which results in your skin being gentle soft and clear. And dont forget the feel good factor. Your skin will feel delicious after having a shower or bath with it. * It helps in prevent premature facial lines as it contains vitamins A and E. Vitamin A and E help to moisturize the skin and make it feel fresh. The ingredients also help in moisturizing dry scalps and avoid itchiness. * Using African black soap as a hair product also results in managing dandruff problems. * African black soap has also been seen to cure ring worm, measles, skin rashes and body odors. Get this book today so you can make your own African black soap & liquid African black soap and and you will soon start to notice just how wonderful your skin can feel.
