

Children`s book: Goodbye Mr. Binky (pacifier weaning, funny bedtime story, value tales, social skills for kids): boys version

Do you have a child who is still attached to a pacifier? A pacifier is a great thing. It helps children relax, fall asleep, and it even gives them a sense of confidence. But there comes a time when a child must learn to let go of their pacifier. In this story, we'll learn how to make the weaning process smooth and easy! Tommy is a sweet little boy who loves his pacifier, Mr. Binky. He loves it so much that he doesn't want to get rid of it, but when he sees a shiny toy truck in the shop window, he begins to reconsider. His mother says he can have the truck if he can pay for it with Mr. Binky. Will Tommy say goodbye to his beloved pacifier?
