

III Tell What I Saw: Select Translations and Illustrations from the Divine Comedy

Michael Mazur's approach to the Inferno gave me inspiration and guidance in understanding Dante. The monotypes, nourished by the artist's intense engagement with the poetry, are themselves acts of translation, embodying vital principles. Robert Pinsky, from the preface: A unique collection that revisits Dante's classic with translations by former Poet Laureate Robert Pinsky and full-color artwork by internationally renowned artist Michael Mazur. This rare and stunning collaboration is sure to be sought by both collectors and readers alike.
