

Its Playtime, Baby!

The impulse to knit for little ones seems almost innate. Melanie Falick and Kristin Nicholas created this book in hopes of teaching new knitters, inspiring knitters whose skills may be rusty, and satisfying experienced, active knitters. Throughout, they have strived to show that knitting is a simple craft, but one with infinite possibilities. Together, they present a collection of modern heirlooms -- accessories and play things -- that you will enjoy knitting and sharing. 9 projects: Stitch-Sampler Baby Blocks, Babys First Ball, Beginner Booties, Felted Diaper Tote, Teddy Bear Family, 3 Baby Cushions, and Mommy Sweater.
