

Im Happy If Youre Happy: 515 Things Only Mothers and Daughters Understand

Without a doubt, the bond between mothers and daughters is indestructible. Through every milestone event, every crisis, every joy, mothers and daughters are there for each other, even when they dont always see eye to eye. What daughter hasnt exclaimed in dismay, Oh no, I sound just like my mother! And what mother hasnt shouted in frustration, Just you wait until youre a mother. Then youll understand! Both mothers and daughters will smile as they recognize the moments in this book: That sooner or later youre going to turn into your mother. Its destiny. How consistently your maternal advice ricochets off the wall of your teenaged daughters disdain. That sometimes its not too clear whos the mother and whos the daughter here. Guilt, guilt, and more guilt. Both sassy and sweet, Im Happy If Youre Happy is a gift to mothers and daughters that says, I get you, and you get me. And I always will.
