

Bloodshot (2012-) #13: Digital Exclusives Edition

Harbinger Wars is going out with a bang! A battle for the lives of Project Rising Spirits escaped psiot children is being waged between Toyo Harada, Peter Stanchecks Renegades and the H.A.R.D. Corps -- and Bloodshot stands in the center of it all. But even if Bloodshot manages to win the day, will the tortured, traumatized, and uber-powerful kids he's fought for choose to remain under the protection of the Harbinger hunter that once haunted their nightmares? Somethings in the air -- and a new era is unfolding for the weapon -- no, the soldier -- no, the man known as Bloodshot.
