

Home Design Workbook: A Design Guide for Every Room of the House

For all who seek redecorating resources, Home Design Workbook offers readers inspiration, direction, and organization for projects large and small. Packed with fresh ideas, this book contains beautiful, full-color images of professionally designed interiors. In addition, it is a clever way to organize your designing adventure - this book contains workbook pages with pertinent questions evaluating your current situation and your preferences, plus graph paper for creating personalized floor plans. Chapters target getting started, as well as specific design aspects - walls, windows, floors - and specific rooms - kitchens. Living rooms, bedrooms - and offer advice and creative direction to help organize everything from ideas and to plans of action.
