Until and unless we start anything we won't be able to complete it or master it, so for starters we need desire. I would ask that you have the desire to learn oil painting, before you take on reading and using this book. If you have the desire and want to learn then just turn the page and here I am to teach you how to paint birds in oil paints with all my will and spirit. I won't say that it is difficult to paint in oil paints; rather I would say that you have desire to learn and to paint.
