

Terminal Hero #3: Digital Exclusive Edition

Now in the United States, the nightmares keep coming for one-time terminal case Rory Fletcher. In desperation, he leaves Rory Fletcher behind and assumes a new identity, which comes with a ready-made beautiful wife and cute kids. All seems well until visitors from his past life - and a horrific reminder of his cancer - threaten to destroy this newfound happiness. Meanwhile back in England, nervous Minesh and beautiful damaged Mia get dangerously mixed up with the strange Treatment Q.
