

THE GREEKS CHRISTMAS BABY (Mills & Boon comics)

Eden always heeded her mothers warnings when it came to love. But after meeting the charming Aristide, she couldnt help but put those doubtful thoughts behind her. Once they married, their two worlds soon began to drive them apart. To make matters worse, a car accident has caused Aristide to lose all his memories of Eden. What once felt like a one-sided love, now feels even more so. Will Aristides subconscious attraction to his wife spark his memories, or has their marriage truly come to an end? Because until their love is restored, Eden is holding on to a precious secret
