

Silent Screams: Novella

This book tells the story of a girl who starts her married life with the man who loved her. How soon love fades once the girl gets into wedlock is a bitter fact she had to experience to know that to some men love lasts in bed only. Daylight keeps them distanced, aloof. Amidst family members, the wife goes unnoticed, uncared! The wife is here to stay for keeps- a mere possession! Helplessly Sheila realizes the alien circumstances she had landed herself into.
