

Insight FlexiMap: Budapest (Insight Flexi Maps)

Flexi Map Budapest is much more than just a laminated map. The Tourist Information section includes detailed descriptions and some stunning photographs of a carefully selected number of recommended sights, these sights are linked to the mapping by easy to find numbered markers. There is also an abundance of helpful information on getting around, tipping, opening times, public holidays, emergency telephone numbers and much more. The comprehensive index has been divided into different categories to make locating places as easy as possible. The laminated, tear-resistant finish is tough, weatherproof and can be written on using a non-permanent marker. The main map shows the city at a scale of 1:12 500 (1cm = 0.125km) and highlights numerous places of interest such as public buildings, hotels and parks. For those wishing to travel slightly further afield there is a map of the area surrounding Budapest, the scale of this map is 1:300 000 (1cm = 3km).
