

Hamburg Germany & Beyond

The author, a travel journalist, was born and lives in Germany. Hamburg is Germany's second-largest city and premier port. It is a spread-out city with mostly modern, low-rise buildings and much water and greenery. The lovely medieval town center of Lubeck with several brick Gothic buildings makes for a particularly rewarding daytrip. The author provides innumerable tips on special discounts available for travelers (some 20 on train and bus travel alone) and tells how to save on gas (cheapest on Mondays, most expensive on Wednesdays), as well as virtually everything else, with inside information on getting the best hotel rooms at the best prices, the best deals and the best food at restaurants. For every area of the country, full information is supplied on how to get around, the best shopping, the foods and the recommended places to eat, where to stay, from charming guesthouses, hostels and campsites, on up to the most luxurious hotels. Includes town and country walks, cycling, fishing, canoeing & kayaking, Rhine cruises, wine tours, concerts and other cultural events - its all here! As a Pocket Adventure Guide, it shows you how to experience everything the country offers more intensely and directly than most travelers know how to do - seeing the place close-up through adventures, both cultural and physical, including in-depth encounters with the people. Other guides lack our level of detail, our adventure perspective and our emphasis on direct experience of the country. We provide an insiders knowledge that you wont find in other guides.
