

Interiors by Design: Advice and Inspiration from the Professionals

Anyone who's covered their walls in paint samples or pondered over lighting schemes will know that being your own designer is not as easy as it sounds. Luckily, help is at hand with *Interiors by Design*. *Getting Started* shows you how to draw up the all-important design brief of what you want to achieve from your space, both practically and aesthetically. *Complete Schemes* and *The Rooms* present over 30 interiors selected from the most stylish homes around the world, created by talented designers including William Yeoward, Pam Giolito and Joseph Marino, and Bruce Oldfield. *Trade Secrets* provides a summary of professional wisdom to ensure you get the best results.
