

White Ironstone China: Plate Identification Guide 1840-1890 (Schiffer Book for Collectors)

The identification of English white ironstone plates is made easier with this book that organizes the shapes made in England about 1840 to 1890 for export to the United States. The 327 color photographs and 252 drawings of plates, rims, potters marks and registry marks are easy to compare. Copper Lustre and Tea Leaf decorations are included.
