

The Elements of Typographic Style

Renowned typographer and poet Robert Bringhurst brings clarity to the art of typography with this masterful style guide. Combining practical, theoretical, and historical, this book is a must for graphic artists, editors, or anyone working with the printed page using digital or traditional methods. Having established itself as a standard in its field The Elements of Typographic Style is house manual at most American university presses, a standard university text, and a reference work in studios of designers around the world. It has been translated into Italian and Greek, and Dutch.
