

Jerusalem Diary: Searching For The Tomb And House Of Jesus

If you are not a church-goer and the traditional, devotional stories do not make sense to you but you are looking for an authentic spiritual experience or plan to travel to Jerusalem - this book is for you. Based on a true story, Jerusalem Diary: Searching for the Tomb and House of Jesus is an adventurous journey of self-discovery in the Holy Land. After going through a professional and personal crises, Joanna joins two Australian men who claim to discover new sites that could be Jesus home in Nazareth and his tomb in Jerusalem. As they visit different pilgrimage sites associated with Jesus, Joanna begins to challenge conventional ideas about the life of Jesus. Relying on the Gospel of Mary Magdalene, the Gospel of Thomas and parts of the Urantia Book, she creates an alternative picture of Yeshua (Jesus). She begins to see him as a young, rebellious and inspiring teacher who can offer inner healing and peace to a modern person. Recent Reviews: This engaging book has everything the passionate-thinking person desires: intensity, intrigue, controversy. Thoroughly enjoyable and thought-provoking. A book for all seekers. -Mark Manolopoulos, adjunct research associate, Monash University Centre for Studies in Religion and Theology, and author of If Creation Is a Gift.
