

JSA Omnibus Vol. 2 (The Jsa Omnibus)

Known for his groundbreaking work on Green Lantern, over a decade ago Geoff Johns brought Justice Society of America characters rooted in the Golden Age of comics back to the forefront of comics. Mixing younger, edgier characters with the elder statesmen of superheroes, Johns brought the JSA back to the forefront of the comics in what became the industry's best-selling comic series. Collected here is the second and concluding volume on Johns now-legendary run on the original JSA. Collected here are JSA #26-81.
