

Key West Bounce (Jack Marsh Action Thrillers Book 2)

The Key West Bounce. A pure adrenaline rush of hard hitting, hard talking characters caught up in a chase for a fortune in gold locked inside a U.S. C-130 Aircraft that has been sitting on the floor of the Florida Straits for over fifty years. Jack Marsh is pulled into the hunt for the treasure by an old East German Stasi agent who knows where the plane is and how it got there. Always looking for easy money, Marsh recruits his friend Tommy Hicks, Captain of their salvage and dive boat, The Island Queen. Soon the three men are locked in a seesaw battle among themselves, a gang of Jamaican cutthroats, the Cuban DGI Secret Police, and a group of Cuban expatriates from Miami who claim the gold as theirs and need it to continue their fight against Castro. The fight is waged across and under the waters of the Straits as the hunt is narrowed to a small strip of palm-covered sand called Crab Cay and its surrounding waters. The clear tropical waters are soon red with blood and thousands of gold coins. Marsh and Hicks are soon fighting for their lives: vessel to vessel, gunwale to gunwale, and hand to hand as treachery and duplicity is played out. It finally comes down to two men, face to face, one will live, and one will die the gold the prize. There is enough action and suspense in this story to satisfy the most hardened of thriller readers.
