

## The Pooling-On-Purpose Project (Knit Your Tail Off Book 1)

Instruction Booklet: Knitters who love working with hand-painted yarn will welcome the projects in this booklet. Instead of avoiding pooling (colors pooling into one area on a garment), Kathleen Valentine, author of *The Mermaid Shawl & other Beauties: Shawls, Cocoons & Wraps* teaches techniques for forcing colors to pool. This booklet contains instructions on how to work with the yarn and three projects knit in stockinette stitch (knit on the right side, purl on the wrong side): a simple wrap, a ruana-style shawl, and a kimono. This is an ideal project for knitters who aren't ready for complicated stitches or shaping (all the projects are composed of straight strips) but who want to create something with a sophisticated look. This is Vol. 1 in Kathleen Valentine's *Knit Your Tail Off* instruction booklets. Vol. 2 is *Sumptuous Silk Bags: Learn Entrelac and More*, Vol. 3 is *Seamans Scarves: Sculptural Stitches* and Vol. 4 is *Slinky Silver Shrug*. All available for Kindle.
