This is not your ordinary strategy guide, this is your lethal edge. Be it online against the world or at home against AI - The Official Guide to Warzone and Campaign lets you reach your full potential. Proven strategies, coupled with detailed overview maps and HD screenshots, guide you through every mission - even on the hardest difficulty setting. After the campaigns, you'll face the ultimate challenge of how to survive the online battles. Guarantee yourself a place at the top of the rankings, using strategies, tips and tricks put together by a hand-picked team of successful multiplayer experts.

WARZONE
Basic Training Surviving online is even harder than beating the Campaign on Elite difficulty, so we provide a crash course in online shooters.
Advanced Tips & Settings Learn the tricks the top players use to stay on top. Find out how to stay safe in various types of environment, to clear out a room and survive, and to set up camp at specific locations. Ideal control and audio settings also included.
Multi-View Area Surveillance Amazingly in-depth insight into the multiplayer maps, provided through a combination of finely detailed maps, tactical maps, density maps and more.
Badges Detailed information about the Primary and Secondary Badges for each character class. Learn the advantages of each Badge for completing objectives and controlling areas, and ideal Badge combos for squad play.
Team Tactics Essential strategies for team-work and communication, including the most effective composition of teams and squads for each map. Solid team-work is the key to victory in the Warzone.
CAMPAIGN Quick Reference A separate walkthrough with easy-to-access help for your first play through. Spoiler-free and with just the Intel you need to get you through the game.
Becoming Elite The complete

Veteran and Elite difficulty level walkthroughs guide you safely through every area and enemy confrontation. Why bother with Recruit or Trooper, when only Veteran and Elite earns you respect? Knowing the Artillery Every weapon and vehicle in the game is analysed and full statistics are given. Learn the strengths and weaknesses of each piece, and see at a glance which weapon is best suited to the upcoming task. Complete Trophy collection A dedicated section helps you to complete every challenge and suggests the best locations to finish even the hardest ones with ease.
