

How to Bollywood Dance: A Fun, Practical Guide to Learning and Performing Modern Indian-Style Dance

A sea of beautifully dressed men and women take the stage the men tall and handsome in their tunics and the women beautiful and glittering in their beaded clothes. The music starts and their bodies spring into action: shaking, whirling, twisting and telling a story, most likely a love story Bollywood dance has evolved into an exciting, stand-alone performance style of modern Indian dance both within and outside of India, and among people who may or may not claim Indian heritage. With this unique handbook *How to Bollywood Dance: A Fun, Practical Guide to Learning and Performing Modern Indian-Style Dance*, A. R. Areu will get you dancing in no time. Inside you'll discover things like: what makes Bollywood so fun and unique, the best ways to learn Bollywood dance, how to do 20 different Bollywood dance steps and positions, the essential elements for choreographing and performing a Bollywood dance, tips on lip syncing, how to keep advancing in your dance practice, as well as a primer on Bollywood culture and music!
