

Kitty Bartholomews Decorating Style: A Hands-On Approach to Creating Affordable, Beautiful, and Comfortable Rooms

Real people decor from the real people decorator-whose clever, creative, noncostly ideas have wowed millions of viewers of her HGTV show and her enormously popular appearances on Oprah. Kitty Bartholomew believes that home decorating can be stylish and comfortable, budget-conscious and beautiful. Rather than suggest expensive, over-the-top solutions to decorating dilemmas, she comes up with inventive, resourceful ideas that are within the average person's means. In this, her first book, Kitty Bartholomew brings her knowledge, decorating savvy, and enthusiasm to bear on every aspect of home design, from window, door, ceiling, wall, and floor treatments to furniture, lighting, and mirrors. There's even a chapter on flea-market shopping, where readers will learn how to find the treasures buried among the trash and how to turn them into better-than-new decor. Each chapter details the basics, offers a photo tour showing how the author handled decorating challenges in her own home, presents step-by-step projects, and includes Ask Kitty questions answering readers' most frequently asked questions. Gorgeous color photographs throughout illustrate Kitty's ingenious makeover ideas.
