

## La Provence 2012 Square 12X12 Wall Calendar

Provence Wall Calendar: Once an ancient Roman province, La Provence rests serenely between the Alps and the Mediterranean Sea. It is a land of lavender, sunflowers, sun-drenched markets, Roman architecture, seaside villages, and cobblestone streets. It charmed the likes of Cezanne, Van Gogh, and Chagall. Les provençals speak a most musical French that reflects their relaxed way of life, and that the rest of France finds irresistible. This wall calendar captures the everlasting allure of La Provence.
