

Cars, Trucks, and Buses Made by Tractor Companies

Chronicling vehicles made by tractor companies from 1900-1930, this book gives company history for 56 different manufacturers and features nearly 300 makes of cars, trucks, and buses they produced. Concentrating on some of the small manufacturers that have made these vehicles, this volume also provides information on large vehicle companies, such as IHC and Ford. It also covers companies that made parts for cars and trucks. 200 photos.
