

LOGO Lounge: 2,000 International Identities by Leading Designers

Logos - for everything from food and fashion to conferences and corporations - are among designers most prized projects. When LogoLounge debuted in hardcover, it was the first in a series celebrating the work of top logo designers on the innovative LogoLounge website. Created by Bill Gardner, president of the leading design firm Gardner Design, the LogoLounge website (www.logolounge.com) features the work of handpicked top designers as well as up-and-coming new talent. This book, now in paperback, presents the sites best designs of the year as judged by an elite group of name-brand designers. LogoLounge offers a wealth of inspiration and insights for graphic designers and their clients. From the work of superstar artists and firms such as Michael Vanderbyl and Sibley Petet Design - including both new campaigns and new projects - to nearly 2,000 additional logos from various sources, this visually compelling volume will become the go-to resource for inspiration from the best in the field.
