

Alaska: 10th Anniversary edition

Here's a 10th anniversary edition of Art Wolfe's magnificent photographic portrait of Alaska. With an international reputation as one of the most accomplished nature and wildlife photographers, Art Wolfe continues to expand his audience through his public television show *Travels to the Edge with Art Wolfe*. Wolfe's 150 images in *Alaska* take the reader from the lush Southeast to the singular Denali Mountain and across the northern tundra. The tenth anniversary edition of *Alaska* features gorgeous landscape-format photography, with sections including Mountain, River and Lake, Tundra, Sea and Coast, Forest, and Island.
