

Maryland State Fair: Celebrating 125 Years, The (Images of America)

According to Gov. Robert L. Ehrich Jr., [The Maryland StateFair] is an annual opportunity as Marylanders to come together to celebrate the history, tradition, and charm of our State during the best days of summer. The Maryland State Fair has continued the tradition of delighting Marylanders near and far since the late 1800s. Hosting governors to 4-Hers, farm animals to farm hands, home arts to computer arts, the fair has always promised something for everyone. Fair favorites such as the sweet, intoxicating scent of warm cotton candy and the heartthundering excitement and majesty of Thoroughbred racing were as much a part of the Maryland State Fair 125 years ago as they are today. Readers can find it all in The Maryland State Fair: Celebrating 125 Years.
