

Moon Acadia National Park (Moon Handbooks)

Journalist and Maine native Hilary Nangle knows the best ways to enjoy Acadia National Park, from biking through coastal forests and exploring iconic lighthouses to visiting quaint towns with great shopping and seafood. Nangle offers unique strategies that help organize trips around central themes, such as A Studio Tour: Artists and Artisans and The 3-Day Best of Acadia National Park. With details on hiking to ancient sea caves on Mount Desert Island, boarding a catamaran in Bar Harbor to observe whales and puffins, and enjoying fresh lobster at market price on the Schoodic Peninsula, Moon Acadia National Park gives travelers the tools they need to create a more personal and memorable experience.
