

## The Manara Library Volume 2: El Gaucho and Other Stories

Dark Horse continues to bring the works of Italian comics master Milo Manara to American audiences with Volume 2 of The Milo Manara Library! This deluxe hardcover, newly translated by Eurocomics expert Kim Thompson, features the sweeping historical epic *El Gaucho*, the second of Manara's storied collaborations with his mentor Hugo Pratt, author of the internationally acclaimed *Corto Maltese*. Rounding out this volume is *Trial by Jury*, a series of shorts, never before published in the US, in which some of history's most notorious figures undergo a mock trial. The Manara Library offers English-language readers a chance to experience the illustrative storytelling of a true comics master.
