

Uncanny X-Men: Manifest Destiny

Go west, young mutants! Following the events of Messiah CompleX, the X-Men are heading west, founding a new home for themselves and all mutants in a place known for its tolerance: San Francisco, California. Shortly after their arrival, however, the X-Men find themselves tangling with Magneto and fighting down the robotic, mutant-killing Sentinels. And as if that wasn't enough, Pixie, one of the youngest members of the team, learns just how dangerous bigotry is when she's confronted by the all-new Hellfire Cult. Collects Uncanny X-Men #500-503, X-Men FCBD #1, and X-Men: Manifest Destiny #1-5 (Dazzler, Karma, Mercury/X-23, Colossus, Emma Frost, Graymalkin, and Juggernaut)
