

Alien Vs Dredd Vs Predator

The Predators enter the urban jungle of Mega-City One to hunt a challenging prey - the Judges themselves. As the Judges' heads start accumulating in the Predators' trophy room, it is down to Dredd and Judge Schaefer to stop the hunt. When an Alien surfaces in Mega-City One, the Judges must go all-out to capture or destroy it. But there's a devastating secret contained beneath the city - and it may well be more than the Justice Department can handle!
