

## Mel Bay Popular Guitar Styles-Reggae & Music of the Islands

Popular Guitar Styles: Reggae and Music of the Islands reflects recent popular styles and transfers them to classical or fingerstyle technique. Guitar players who want to add reggae or Island music to their solo-repertoire will find an original and unique collection of compositions which will give joy to both players and listeners. The playing-level is intermediate to advance. Left-hand difficulties like barres and stretches are minimized as much as possible to make it easy to make the music groove. Written in notation and tab.
