

## 365 Days in Ireland Picture-A-Day Calendar 2002

The sound of a flute and fiddle. The brogue. The poetry of Yeats and Seamus Heaney. Stone ruins in a morning mist. A caramel pint of Guinness. A land of strong contrasts-of earth and spirit, of craggy rock and lush green, of red doors in a sea of winding streets, of Angelas Ashes and The Book of Kells-Ireland draws ever more visitors every year. 365 DAYS IN IRELAND is a paean to the small green island whose beauty, culture, and rich history have inspired visitors for centuries. With photographs by Fritz Dressler, a European travel photographer, and the appreciations of Colum McCann, prize-winning author of *This Side of Brightness*, it is an evocative and eloquent portrait.
