

Michael Freemans The Photographers Eye Course: A Complete DVD + Book Masterclass

Shot over the course of a year at locations across the globe, the master classes on these two full-length DVDs cover virtually every skill in celebrated photographer and teacher Michael Freeman's professional armory. This uniquely accessible approach takes viewers from first principles?exposure, focus, and composition?to the subtle art of storytelling in pictures. Combined with the tailor-made coursebook that allows the reader to make focused, practical improvements, The Photographers Eye Complete Course will take your photography to the next level.
