

Moll Flanders - The Original Classic Edition

Moll Flanders by Daniel Defoe - The Original Classic Edition Finally available, a high quality book of the original classic edition. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: Robinson, jete sur une ile deserte, arrache a la terre ce quil lui faut pour manger son pain quotidien; le pauvre Jacques, ne parmi des voleurs, vit a sa maniere pour lamour seul de lexistence, et sans rien posseder, tremblant seulement le jour ou il a trouve une bourse pleine dor; Bob Singleton, le petit pirate, abandonne sur mer, conquiert de ses seules mains son droit a vivre avec des moyens criminels; la courtisane Roxana parvient peniblement, apres une vie honteuse, a obtenir le respect de gens qui ignorent son passe; le malheureux sellier, reste a Londres au milieu de la peste, arrange sa vie et se protege du mieux quil peut en depit de laffreuse epidemie; enfin Moll Flanders, apres une vie de prostitution de calcul, ruinee, ayant quarante-huit ans deja, et ne pouvant plus trafiquer de rien, aussi solitaire au milieu de la populeuse cite de Londres quAlexandre Selkirk dans lile de Juan-Hernandez, se fait voleuse isolee pour manger a sa faim, et chaque vol successif semblant laccroissement de bien-etre que Robinson decouvre dans ses travaux, parvient dans un age recule, malgre lemprisonnement et la deportation, a une sorte de securite....Je continuai la jusqua lage de huit ans, quand je fus terrifiee par la nouvelle que les magistrats (je crois quon les nommait ainsi) avaient donne lordre de me mettre en service; je ne pouvais faire que bien peu de chose, ou quon menvoyat, sinon aller en course, ou servir de souillon a quelque fille de cuisine;

et comme on me le repetait souvent, jen pris une grande frayeur; car j'avais une extreme aversion a entrer en service, comme ils disaient, bien que je fusse si jeune; et je dis a ma nourrice que je croyais pouvoir gagner ma vie sans entrer en service, si elle voulait bien me le permettre; car elle m'avait appris a travailler de mon aiguille et a filer de la grosse laine, qui est la principale industrie de cette ville, et je lui dis que si elle voulait bien me garder, je travaillerais bien fort.
